SORTING

3-MINUTE TIME LIMIT

1. One man crosses the line, the rest of the team holds the line.
2. Sort two steers across the line in ascending order, time starts when you cross the line and a number is called.
3. Only one man in the herd at a time. All riders may cross the line to hold the herd, but cannot enter the herd.
4. No loping in the herd.
5. Once a steer is cut from the herd, the team will cut the second steer in ascending order. (ie. Steer 3, then steer 4)
6. Time ends when the two called steers cross the line. **If a team fails to sort in ascending order they will receive a no time.**

MUGGING

3-MINUTE TIME LIMIT

1. Everyone is horseback, anyone can rope. Time starts when judge sounds horn.
2. Unlimited loops, **Legal head catches: around the horns, half head or around the neck.**
3. Once roped, members must dismount, mug and throw steer tying three legs.
4. Dragging or tripping steers will result in team being disqualified.
6. Time ends when rope is off steer and time is called for, **steer must stay tied 6 seconds. If the steer gets up the team receives a no time.**

TEAM BRANDING

3-MINUTE TIME LIMIT

1. 2 Ropers, 2-flankers/brander. Time starts when roper crosses line.
2. Unlimited loops, catch as catch can.
3. The calf **must be roped on the herd-side of the foul line. A NO TIME will result if the calf is roped on the wrong side of the foul line. Absolutely no loping allowed.**
4. The flankers may not touch the calf until the entire calf has been brought across the line by the roper.
5. Branding iron must return to the bucket after each calf is branded.
6. After a calf has been branded on its side, the calf **must be returned across line**, before 2nd roper can go.
7. The branding **iron needs to be returned to the bucket after the final calf is branded to end the time.**
